Dear Mr. Smith:

On May 20, 2022, the Regulatory Commission of Alaska (Commission) rejected TA2-198,<sup>1</sup> and gave Dillingham Waste Management, LLC (Dillingham Waste) until May 27, 2022, to correct deficiencies with the filing. The Commission also notified Dillingham Waste that failure to file by the deadline would result in the tariff advice filing being closed and returned to the utility. Dillingham Waste did not supplement the filing to correct the deficiencies by May 27, 2022. This letter is to return the tariff filing and confirm that TA2-198 is closed.

Sincerely,

REGULATORY COMMISSION OF ALASKA
